

SOP Configure Modem GPON

Configuration PPPoE By Modem

1. Connect by wifi. Untuk SSID dan Password dapat dicek di bagian belakang Modem.

2. Buka Browser dan open ip gateway/ ip modem "192.168.100.1"

3. Login Username telecomadmin pass admintelecom

4. Choose Lan and Cek list port 2 LAN

#konfigurasi ini mengarahkan port 2 sebagai DHCP

5. Open WAN menu and make new configuration

LAN > LAN Port Work Mode

On this page, you can configure LAN ports as Layer 3 ports by selecting the corresponding check boxes. The Layer 3 ports will be assigned as HG ports.

LAN1 LAN2 LAN3 LAN4

Apply Cancel

WAN > WAN Configuration

On this page, you can configure WAN port parameters. The ONT (home gateway) uses a WAN port to communicate with upper-layer network equipment. Therefore, these parameters must be consistent between the ONT and the network equipment.

New Delete

6. Ceklist PPPOE

On this page, you can configure WAN port parameters. The ONT (home gateway) uses a WAN port to communicate with upper-layer network equipment. Therefore, these parameters must be consistent between the ONT and the network equipment.

Connection Name	VLAN/Priority	Protocol Type

Basic Information

Enable WAN:

Encapsulation Mode: PPPoE IPoE

Protocol Type: IPv4

WAN Mode: Route WAN

Service Type: INTERNET

Enable VLAN:

VLAN ID: (1-4094)

802.1p Policy: Use the specified value Copy from IP precedence

802.1p: 0

MRU: (1-1540)

User Name: iadtest@pppoe

New Delete

7. Wan Mode Router WAN

	Connection Name	VLAN/Priority	Protocol Type
Basic Information			
Enable WAN:	<input checked="" type="checkbox"/>		
Encapsulation Mode:	<input type="radio"/> IPoE <input checked="" type="radio"/> PPPoE		
Protocol Type:	IPv4

WLAN > WLAN Basic Configuration

On this page, you can set basic WLAN parameters (When the WLAN function is disabled, this page is blank).

Caution:

1. Wireless network services may be interrupted temporarily after you modify wireless network parameters.
2. It is recommended that you use the WPA2 or WPA-WPA2 authentication mode for security purposes.
